Dear Ms. Streater:

As we discussed over the phone, we need you to change the way the charge of October 27, 2003 was credited for the referenced case.

The money should have been credited as follows:

- \$385 Request for Continued Examination (RCE)
- 55 One month extension
- 43 One additional independent claim over the four that were already paid for
- 9 One additional claim over the total number that had previously been paid for
- 1 For the increase in cost of an independent claim that had been paid for in August.
(I realize that this last charge of \$1 was not necessary, but I was trying to be on the safe side.)

\$493 Total
